## SEPTEMBER CHAMBER COFFEE HOST HCMC Cancer Care Center

Cancer Care Center of Henry County (CCC) and The West Clinic (TWC) are collaborating to advance cancer care for Paris, TN and the surrounding areas.

Radiation oncologists, William D. Permenter, Jr., M.D. and Paul Koerner, M.D. along with TWC medical oncologists/hematologists are committed to providing the best cancer care to patients close to where they live so that their family and support system can be near them during their cancer journey. Office hours are Monday - Friday 8:00-4:30 P.M.

CCC was founded in 1993 by William D. Permenter, Jr., M.D. Our centers in Jackson, Dyersburg, Paris and Union City have provided care for thousands of cancer patients over the past 20 years. For more information, call us at (731) 644.3522 or visit CCC on the web at [www.cancercarecenter.org](http://www.cancercarecenter.org).

Our physicians believe in treating the 'whole person' not just the disease; and with this commitment, our patients have access to a full complement of services.

Each patient's treatment plan is highly personalized and unique to the individual patient. TWC is dedicated to providing CCC's patients continued excellence in treatment and compassionate care. For more information on TWC, visit the website at
